Oh, Gabrielle
You're such a beautiful lady, dear
The sun and the moon, the stars, I would pick them
down for you
Oh, Gabrielle
I really want you for my baby
But you'll never know, I carry a love that's oh so true

You'll never know all the pain that I feel inside of me
You'll never know how much I really care
But if you told me someday you really wanted me
Just say the word to me and I'll be there

Oh, Gabrielle
You're such a beautiful lady, dear
The sun and the moon, the stars, I would pick them
down for you
Oh, Gabrielle
I really want you for my baby
But you'll never know, I carry a love that's oh so true

Looking at you will make me feel a happy man
Thinking of you will always make me sad
But I'd be glad to love you baby if I can
But if you turn me down I'd feel so bad

Oh, Gabrielle
You're such a beautiful lady, dear
The sun and the moon, the stars, I would pick them
down for you
Oh, Gabrielle
I really want you for my baby
But you'll never know, I carry a love that's oh so true

Oh, Gabrielle
You're such a beautiful lady, dear
The sun and the moon, the stars, I would pick them
down for you...
