I have known so many girls but no one took my heart
And here I'm standing at your door 'cause I don't want
us to part

Oh, Pauline, open up your door and let me in
And it doesn't matter where I've been, I've been
faithfull to you
Oh, Pauline, it's your love I really want to win
And to fool you girl would be a sin, so I've been true to
you

To be cheating on a girl like you would be crazy and I
know it's true
That I never wanna make you blue, so open up your
door for me

Oh, Pauline, it's your love I really want to win
And to fool you girl would be a sin, so I've been true to
you

(Solo)

To be cheating on a girl like you would be crazy and I
know it's true
That I never wanna make you blue, so open up your
heart for me

Oh, Pauline, it's your love I really want to win
And to fool you girl would be a sin, so I've been true to
you
I've been true to you
I've been true to you

Oh, Pauline
