Dreaming five hundred miles away
Seems like only was yesterday
The day I left you
Then I knew I never could forget you
Now when I'm away I'll always let you
Linger in my dream so tenderly

Oh Pretty Salo, don't you know I'm thinking of you
You should know how much I love you
I'll be telling you some day
The day I left you
Knew I never could forget you
Now when I'm away I let you
Fill my dreams of yesterday

I'm so tiered and so alone
Feeling so long away from home
I should have stayed there
Cause I know there is no other place where
People have a way to show that they care
How I'm longing for that lovely place

Oh Pretty Salo, don't you know I'm thinking of you
You should know how much I love you
I'll be telling you some day
The day I left you
Knew I never could forget you
Now when I'm away I let you
Fill my dreams of yesterday

All alone oh how that loneliness gives me pain
I can't wait 'til the day I will see Salo again

Oh Pretty Salo, don't you know I'm thinking of you
You should know how much I love you
I'll be telling you some day
The day I left
Knew I never could forget you
Now when I'm away I let you
Fill my dreams of yesterday
