Oh, why do I love you, oh, why do I love you?
The moon up above you will tell me I love you
I'm thinking so of you, oh, why do I love you?

Oh, why do I love you, oh, why do I love you?
The moon up above you will tell me I love you
I'm thinking so of you, oh, why do I love you?

I could be begging, I could be leaving
I could be sharpen, I could be teasing
I ought to say something but I say nothing

Oh, why do I love you, oh, why do I love you?
The moon up above you will tell me I love you
I'm thinking so of you, oh, why do I love you?

I could be natural, I could be bragging
I could be teasing, I could be nagging
I oughta say something but I say nothing

Oh, why do I love you, oh, why do I love you?
The moon up above you will tell me I love you
I'm thinking so of you, oh, why do I love you?

(Solo)

Oh, why do I love you, oh, why do I love you?
The moon up above you will tell me I love you
I'm thinking so of you, oh, why do I love you?
