-Are you ready on the lead guitar, Bob?
-Yeah, I'm ready...

Tuning up, going far, rocking and rolling on my old
guitar
I'm on the road again, I'm on the road again
I'm gonna get around in every single town
I'm on the road again

I'm in my rocking boots, dressed and done,
going 'round to have a lot of fun
I'm on the road again, I'm on the road again
I've got a rocking band, I'm gonna roll it man
I'm on the road again

Take it, Bob!

Rocking and rolling like a hurricane
Shaking and boppin' 'til I go insane
Heating up the city when you're feeling cold
Come on everybody let us rock and roll

Here I go again, playing rock and roll,
going down the highway gonna sell my soul
I'm on the road again, I'm on the road again
I'm gonna shake it down in every little town
I'm on the road again

Take it, Bob

(Solo)

Well, rocking and rolling like a hurricane
Shaking and boppin' 'til I go insane
Heating up the city when you're feeling cold
Come on everybody let us rock and roll

Here I go again, playing rock and roll,
going down the highway gonna sell my soul
I'm on the road again, I'm on the road again
I'm gonna shake it down in every little town

I'm on the road again

I'm on the road again, I'm on the road again
I'm on the road again, I'm on the road again
I'm gonna shake it down in every little town
I'm on the road again

I'm gonna shake it down in every little town
I'm on the road again

- Thank you, Bob
- Thank you
