Oh, darling, how strong is  
Love supposed to be  
Surrounded by fire and magic  
We long to be free  
Cheating, heating up  
Down on the streets of shame  
To be strong enough  
To fly without love  
Like a Phoenix from the flame  
You've gotta have faith  
To work it out, faith and hope  
Without a doubt, give us strength  
To make a start  
Put a song in our heart  
Then we're gonna  
Break down the walls  
And build the prison  
With the stone  
Cause you and I know  
What love is worth  
We're gonna build  
A Heaven on Earth  
Running in the  
Wheels of fortune  
Turning water into wine  
Gonna make love the bottom line  
Gonna find peace in our time  
Whoa, oh, peace in our time  
Sweet, sweet darling  
When there is lightning in the sky  
Come out of the storm  
And into the warmth of  
The healing I'll supply  
Gotta have faith  
And get it fast, faith and hope  
If you let it last, give us strength  
To reach the stars  
Put a song in our heart  
Cause you and I know  
What love is worth  
We're gonna build

A Heaven on Earth  
Running in the  
Wheels of fortune  
Turning water into wine  
Gonna make love the bottom line  
Gonna find peace in our time  
Woah, oh  
And the sign of the dove  
Gonna shine, shine, shine  
On the wing and prayer  
We'll get by, by, by  
Keep on keeping on  
As long as our dreams are true  
When cities are dust  
It's Heaven or bust  
In the shape of me and you  
Gotta have faith (faith)  
To goad us along  
Now there's hope (hope)  
To carry us on  
Give us strength (strength)  
We'll never go wrong  
With this song in our hearts  
Then we're gonna  
Break down the walls  
And build the prison  
With the stone  
Cause you and I know  
What love is worth  
We're gonna build  
A Heaven on Earth  
Running in the  
Wheels of fortune  
Turning water into wine  
Gonna make love the bottom line  
We're gonna find peace in our time  
Then we're gonna  
Break down the walls  
Build the prison  
With the stone  
Cause you and I know  
What love might be worth  
We're gonna build  
A Heaven here on Earth  
We're running, running  
With the wheels of fortune  
Turning water, water into wine  
Making love the bottom line  
Finding peace, peace in our time
