Rolling down in a pink Cadillac, roll away and I'm never  
coming back  
Rolling down so late at night, rolling down and feeling  
alright  
I'm feeling alright

I've always been a man of truth and honor, never  
letting anyone down  
Always been a good boy and taken my pills, never been  
a playing around  
But when the old man said I had to go I just had to take  
my stuff and run  
So I leave this place that I'm loving so and driving to  
the city sun  
Keep on rolling

Rolling down in a pink Cadillac, roll away and I'm never  
coming back  
Rolling down so late at night, rolling down and feeling  
alright  
Lord, I'm feeling alright

Rolling down the road just as fast as I can, looking for  
some place I know  
And I never mind where ever I am 'cause I've really  
gotta go

Rolling down in a pink Cadillac, roll away and I'm never  
coming back  
Rolling down so late at night, rolling down and feeling  
alright  
Lord, I'm feeling alright

(Solo)

Always tried to act like a really good guy, always tried  
to be a friend  
Never said a word being misunderstood, but I have to  
leave again  
'Cause when the old man said that I had to go  
I just had to take my stuff and run

So I leave this place that I'm loving so and driving to  
the city sun  
Keep on rolling

Rolling down in a pink Cadillac, roll away and I'm never  
coming back  
Rolling down so late at night, rolling down but I'm  
feeling alright  
Lord, lord, I'm feeling alright

Ahaha, I'm feeling alright  
Lord, I'm feeling alright

Well, I'm going down the highway in my pink Cadillac  
Going down the highway and I'm never coming back
