Sam, don't you worry and please don't be sorry about  
your wife

You must forget her and find some one else who can  
share your life

I don't wanna be heartless, I know there is darkness  
within' your soul

But you simply must take it, now please try to break it  
or you'll get old

Sam, I know that you miss your wife

Sam, but don't let it spoil your life

Sam, I have seen you crying like a baby child

Sam, every time I think about it I go wild

Sp please forget it, you know you can't let it go on this  
way

Cause every time you get her on your mind you just  
spoil your day

All that booze you are drinking, the thoughts you are  
thinking

won't please your mind

you know you can do better and Sam, to forget her will  
take some time

Sam, I know that you miss your wife

Sam, but don't let it spoil your life

Sam, nothing's gonna be the way it was before

Sam, I've been through it so I'm telling you for sure

Sam, I know that you miss your wife

Sam, but don't let it spoil your life

Sam, nothing's gonna be the way it was before

Sam, I've been through it so I'm telling you for sure

Sam, I know that you miss your wife

Sam, but don't let it spoil your life

Oh, Sam, I know it's hard for you...
