Shame, shame woman frÃn You ain't my friend
(1990).

Shame, shame woman
Shame to what you did
Shame, shame woman
Shame to what you did
You took my money and my house and my little kid

Shame, shame woman
It's wrong to do that way
Shame, shame woman
It's wrong to do that way
Somebody will do the same to you some day

Well, I thought that you always would stand by my side
Then you took all I had but you can never take my pride
Well, you did something I know that God forbid
So, shame, shame woman, shame to what you did

(Solo 1)

Well, I thought that you always would stand by my side
Then you took all I had but you can never take my pride
Well, you did something I know that God forbid
So, shame, shame woman, shame to what you did

(Solo 2)

Shame, shame woman, shame, shame woman
Shame, shame woman, shame, shame woman
Shame, shame woman, shame, shame woman
Shame, shame woman, shame, shame woman
Shame, shame woman, shame to what you did
