You've been working like heck to buy a Harley bike
and now you've got it and you cruise around
Hunting foxy girls, that's what you really like
and listen to the heavy sound

Cruising to the shovel head boogie, cruising down the
street at night
Cruising to the shovel head boogie, cruising and you
feel allright

In your old T-shirt and dirty jeans
you're making contrast to the shining paint
And between your legs you've got a stroke machine
that makes your eyes burn and nearly faint

Cruising to the shovel head boogie, cruising down the
street at night
Cruising to the shovel head boogie, cruising
