Soothing me baby, that's what you do  
Loving me baby, but can it be true  
I'm just your loving man, trying to be nice  
Doing my best now, make everything allright  
But I've got to tell you baby  
Though you've brought out all the best in me

I'm still walking the line, baby don't be unkind  
I'm still walking the line, forgive me baby, give me  
some time

I'm just another man, trying to be free  
Don't tell me stories, that I don't need  
Just trying to hold on baby, but I can't deny my self

I'm still walking the line, baby don't be unkind  
I'm still walking the line, forgive me baby, forgive me,  
give me some time

Well, I thought that your love could change me  
That it was strong enough  
But I'm sorry to tell you baby  
That I won't be saved by your love

Cause I'm still walking that line, oh baby don't be  
unkind  
I'm still walking the line, forgive me baby, baby, give  
me some time

(Solo)

Well, I thought that your love could change me  
That it was strong enough  
But I'm sorry to tell you baby  
That I won't be saved by your love

Cause I'm still walking that line, oh baby don't be  
unkind  
I'm still walking the line, forgive me baby, forgive me,  
give me some time

Cause I'm still walking, walking the line  
I'm still walking, walking the line  
Still walking, walking the line  
Forgive me baby, baby, you gotta give me some time
