I know a girl in my town
The prettiest little flower I've found
But I have never told her how I feel
They tell me she's gone steady
But I don't get so ready
To pick a bunch of little flowers
And go and tell her that I love her

Sue, Sue, Sue, Sue, Sue, Sue, Sussie open up your door
Sue, Sue, Sue, Sue, Sue, Sue, Sussie
don't you think I know what you're longing for
Sue, Sue, Sue, Sue, Sue, Sue, Sussie don't you know
that I really care
And if you wanna have these flowers I've picked
Maybe you will have me tomorrow, and then I'll be there

Yes, I will pick her flowers
And then I'll talk to her for hours
And wisper words of loving in her ear
I will fulfil her wishes
I'll buy her favourite dishes
I won't take no for an answer
Because I really wanna have her

Sue, Sue, Sue, Sue, Sue, Sue, Sussie open up your door
Sue, Sue, Sue, Sue, Sue, Sue, Sussie
don't you think I know what you're longing for
Sue, Sue, Sue, Sue, Sue, Sue, Sussie don't you know
that I really care
And if you wanna have these flowers I've picked
Maybe you will have me tomorrow, and then I'll be there

Well, I'll never give up on a girl that's caught my aching
heart
If you want it I'll give you the world
So, Sussie, don't you try to be smart

(Solo)

Sue, Sue, Sue, Sue, Sue, Sue, Sussie open up your door
Sue, Sue, Sue, Sue, Sue, Sue,

Sussie don't you think I know what you're longing for
Sue, Sue, Sue, Sue, Sue, Sue, Sussie don't you know
that I really care
And if you wanna have these flowers I've picked
Maybe you will have me tomorrow, and then I'll be there
