Superman I'm your fan, Superman
Oooh Superman your just friend Superman
Oooh when you been flying
way up high in the air take me there
cause I love to be way up there Superman

Yesterday i saw you, flying cross the sky
And I told my mother, but she said I lied
But I know it's true I saw you
flying there in the blue, yes it's true, oh so true

Oooh Superman your just friend superman
Oooh Superman I'm your fan, superman
Oooh when you've been flying
Way up high in the air take me there
cause I love to be way up there superman

People say I'm crazy
but know you're there
Flying like a jet-plane
in the atmosphere

If you pass me by take me high
Let me join you and let me fly, let me fly
Let me fly!

Oooh Superman your just Superman
Oooh Superman I'm your fan, Superman
Oooh when you've been flying way up high
in the air take me there
Cause I love to be way up there Superman
Oooh Superman I'm your fan, Superman
Oooh Superman your just friend Superman
