She'd 19 years old and sweet as she can be  
All dressed up like a downtown Christmas tree  
Dancin' and hummin' a rock-roll melody

She's the daughter of a well-respected man  
Who taught her how to judge and understand  
Since she became a rock-roll music fan

Sweet little rock'n'roller, sweet little rock'n'roller  
Her daddy don't have to scold her, her mother can't  
hardly hold her  
She never gets any older, sweet little rock'n'roller

(instrumental)

Should've seen her eyes when the band began to play  
And the famous singers sang and barred away  
When the stars performed, she screamed and yelled  
"Hooray!"

Ten thousand eyes were watching them leave the floor  
Five thousand tongues were screaming "More! More!"  
About 1500 waitin' outside the door
