She took my money
She took our home
She took my baby
Left me alone

For years I've suffered, from all the grief and pain
And you're saying you're not the kind
Who treat me badly but I'm not blind
Though I'm suspicious I'll take a chance on you

Take my heart, but don't you try to take my soul
Take my heart, I've gotta love before I get to old
So take my heart but don't you take my soul

I really love you but I've been burned
Life gave a lesson that I have learned
Don't try to push me, some time is all I need

So take my heart, but don't you try to take my soul
Take my heart, I've gotta love before I get to old
So take my heart but don't you take my soul

SOLO

Take my heart, but don't you try to take my soul
Take my heart, I've gotta love before I get to old
So take my heart but don't you take my soul

Yea, take my heart but don't you try to take my soul
Take my heart, I've gotta love before I get to old
So take my heart but don't you take my soul

Take my heart baby, take my heart baby,
don't take my soul, but take my heart baby
