Oh, what a fool I was to let her go
The only girl I've loved
Oh, oh, I loved her so

There's nobody who wants my loving now
There's nobody who wants my loving now
Poor old me, now I'm free what a fool I've been
There's nobody who wants my loving now

Well, once I had a girl, I loved her so
Oh, what a fool I was to let her go
I did forget that I'm no longer young
Now I regret each day what I have done

There's nobody who wants my loving now
There's nobody who wants my loving now
Poor old me, now I'm free what a fool I've been
There's nobody who wants my loving now

What a trouble I have been in
Ever since she went away
Every single night I'm dreaming
That she will be back some day

(Solo)

So now I'm all alone without my love
Her tenderness is all I'm dreaming of
My poor old aching heart feels like a stone
I guess I'll have to live this life alone

There's nobody who wants my loving now
There's nobody who wants my loving now
Poor old me, now I'm free what a fool I've been

There's nobody who wants my loving now
There's nobody who wants my loving now
There's nobody who wants my loving now....
