My life's a pain
Alone again
I wake up missing you each day

I love you so
Why did you go?
Been crying since you went away

This broken heart will never mend
These falling tears will never end
Oh, oh, oh, you got to help me baby
Oh, oh, you got to mend my broken heart

Alone again
I've lost my friend
Oh how it hurts my broken heart

I love you so
Why did you go?
Been crying since we went apart

This broken heart will never mend
These falling tears will never end
Oh, oh, oh, you got to help me baby
Oh, oh, you got to mend my broken heart

I cry alone each night
Can't get to hold you tight
I'll never ever get over you, over you!

This broken heart will never mend
These falling tears will never end
Oh, oh, oh, you got to help me baby
Oh, oh, you got to mend my broken heart

Mend my broken heart
