Sweet lips, telling me, just what I wanna hear
Soothing voice, saying words, the could ... ears

And then you walk, into my mind
cause when you talk, you talk so fine
but you Ain't my friend,
no you ain't my friend!'

Sweet lips, sweet lies, all about you is sweet
but you're not askin why, there is something with me
and when I cry, you're never there
and if I die, then you would'nt care
cause you ain't my friend,
no you ain't my friend!

Never had a friend in my life
wanna have someone by my side
then you walk in and just pretend,
so you ain't my friend!

Solo

And when I cry, you're never there
and if I die, then you would'nt care
cause you ain't my friend
no you ain't my friend!

Sweet lips, telling me, just what I wanna hear
Soothing voice, saying words, the could ... ears

And then you walk, into my mind
cause when you talk, you talk so fine
but you Ain't my friend,
no you ain't my friend!!
