Well, pretty baby, we're gonna rock and roll tonight  
Come on, pretty baby, we're gonna rock and roll  
tonight  
Come on, pretty baby, I'm really gonna treat you right

We're gonna boogie, we're gonna boogie  
We're gonna boogie, we're gonna boogie  
Come on, pretty baby, we're gonna boogie-woogie  
tonight

Jump into my car and we'll go outside of town  
Jump into my car and we'll go outside of town  
I know a little place where nobody will put us down

We're gonna boogie, we're gonna boogie  
We're gonna boogie, we're gonna boogie  
Come on, pretty baby, we're gonna boogie-woogie  
tonight

(Solo)

Hey, pretty baby, don't you be afraid of me  
Hey, pretty baby, don't you be afraid of me  
I'm the fastest guy that you ever will see

We're gonna boogie, we're gonna boogie  
We're gonna boogie, we're gonna boogie  
Come on, pretty baby, we're gonna boogie-woogie  
tonight
