When I was a little boy I told my daddy
When I'm old enough, I'm gonna buy a Caddy
Go down the highway, slowly cruisin'
I'm gonna save my money and I won't be boozin'
Everything I want, I can buy with money
Young girls and Cadillac cars
Young girls and Cadillac cars
Young girls and Cadillac cars
Young girls and Cadillac cars
They're the only things that I really care for
Young girls and Cadillac cars

So, I bought a Caddy and the girls came runnin'
'Cause a Caddy is the car you're havin' fun in
Slowly we're rollin' on down the highway
And when it came to things, we always did it my way
Everything you want, you can buy with money
Young girls and Cadillac cars
Young girls and Cadillac cars
Young girls and Cadillac cars
Young girls and Cadillac cars
They're the only things that I really care for
Young girls and Cadillac cars

So, buy a Cadillac car
That car will take you far
And if you got some dough
You're gonna get everything you want to
Young girls and Cadillac cars
Young girls and Cadillac cars
Young girls and Cadillac cars
Young girls and Cadillac cars
They're the only things that I really care for
Young girls and Cadillac cars

But now I'm older and I got a son and daughter
And my wife is treatin' me the way she oughta
Makin' the food and washin' laundries
And we go out cruisin' in the car at Sunday
Nowadays my baby is too big for huggin'
Young girls and Cadillac cars

Young girls and Cadillac cars
Young girls and Cadillac cars
Young girls and Cadillac cars
Now I see the youth takin' out in new wheels [*]
Young girls and Cadillac cars
Aha, young girls and Cadillac cars
Young girls and Cadillac cars
