(Speaking) It's around the corner now.. don't you love it! alright

At home where i wanna be

Wrapping presents by the Christmas Tree

With my babay, It's just my baby and me!

Got the Little ones tucked in bed

Dreams of Santa runnin throught their heads

Im so happy, It's so much fun to believe!

Julie Anna wants a rocking horse

My daughter Chealsea wants a doll that talks

Little Johnny wants a BB Gun

Momma Says he just too young (Just too young)

(CHORUS)

Everybody Loves Christmas

Everybody has fun

That time of the year that holiday cheer

A good time for every one!

Everybody loves Christmas

Now were counting the ways

You know it's Almost here!

It's Christmas Day!(Christmas day)

Checking off my list im almost done

Had to buy a gift for every one!

It don't matter it's just that time of the year

I spend the money and i don't look back!

Baby you could wake up in a cadalack!

The man told me he said "don't worry Sign here"

Everybody in the neighbourhood

Got the houses lookin really good!

All your worries kinda disappear

It wont happen more than once a year

(CHORUS)

Christmas time is here again! (Everyone loves christmas)

You can feel it every where (It's that time of the year)

Little Children havin fun(When little kids Cheer)

When he has something for everyone

Everybody loves Christmas

Everybody has fun!

It's that time of the season

It's the time to have fun!

Uh oh oh oh oh

(CHORUS)

Repeat last line of chours 2x
