"I Wanna Go Back"

I was listening to the radio
I heard a song reminded me of long ago
Back then I thought that
things were never gonna change
It used to be that I never
had to feel the pain
I know that things will
never be the same now

I wanna go back
And do it all over again
But I can't go back I know
I wanna go back
Cause I'm feeling so much older
But I can't go back I know

I recall hanging out on Friday night
The first slow dance
Hoping that I'll get it right
Back then I thought I'd
never ever stand alone
It used to be that a
lonely heart was never shown
I know that things will never be the same

I wanna go back
And do it all over again
But I can't go back I know

I wanna go back
Cause I'm feeling so much older
But I can't go back I know
Can't go back
I can't go back

I know now that things will never be the same
I said

I wanna go back
And do it all over again
But I can't go back I know
I wanna go back

Cause I'm feeling so much older
But I can't go back I know
I wanna go back
And do it all over again
But I can't go back I know
I wanna go back
Cause I'm feeling so much older
But I can't go back I know
I wanna go back
And do it all over again
But I can't go back I know
I wanna go back
Cause I'm feeling so much older
But I can't go back I know
No, No
And do it all over...
