What you know is what you are.  
Hollywood is Shangri-La  
Will you ever make your mind up there?  
I see thunder all through the sky,  
Heaven burning in your eyes.  
In my dream I know that you still care.

Won't somebody show me the way?  
Show me the way  
To your heart?

Send me a wise man  
Or book about love.  
My breath has been taken.  
I've been shaken.  
You keep me waiting at the edge of the world!  
On a rocky shore line,  
Like the whim of the wild,  
Oh what can I do now?  
I want you now!  
You've got me lookin' through the eyes of a child!

I don't know what to say or do.  
All I know is I need you,  
Like the desert needs the rain in May.  
Won't somebody show me the way?  
Please Show me the way  
To your heart?

Send me a wise man  
Or book about love.  
My breath has been taken.  
I've been shaken.  
You keep me waiting at the edge of the world  
On a rocky shore line,  
Like the whim of the wild,  
Oh what can I do now?  
I want you now!  
You've got me lookin' through the eyes of a child!

Won't somebody show me the way?

Please Show me the way  
To your heart?

Send me a wise man  
Or book about love.  
My breath has been taken.  
I've been shaken.  
You keep me waiting at the edge of the world  
On a rocky shore line,  
Like the whim of the wild,  
Oh what can I do now?  
I want you now!  
You've got me lookin' through the eyes of a child!
