Living on this lonely street, a stranger in this town
Feel it in this cold concrete whenever I'm around
On the outside looking in, it's a mystery
When I'm out there in the wind, I know I'm feeling free
I know I'm a stranger in a strange land
Just a stranger -- I'm a solitary man
All alone I stand about, just a stranger in a strange land
In a strange land...j-j-just a stranger
Seems I'm spending half my life saying long goodbyes
On the edges of a knife I leave it all behind
In another place and time, I'll find where I belong
But until that day arrives, I, I, I guess I'll be moving on
Cause I'm a stranger (I'm a stranger) in a strange land
(I'm a stranger) Just a stranger (J-j-j-just a stranger)
I'm a solitary man
All alone I stand, I stand now just a stranger
In a strange land, just a stranger, in a strange, strange
land
J-j-j-just a stranger, yeah
I'm a stranger, in a strange, strange land
Hey, come with me to the beat, I'm a stranger
I'm a stranger (I'm a stranger) in a strange land
(In a strange, strange land) Just a stranger
(I'm just a stranger) I'm a solitary man
(I'm alone, I'm alone)
I'm a stranger (I'm a stranger) in a strange land
(In a strange, strange land) Just a stranger
(I'm just a stranger) I'm a solitary man
(I'm alone, I'm alone)
I'm a stranger (I'm a stranger) in a strange land
(In a strange, strange land)...
