Oh, yeah yeah yeah  
I feel a hunger  
It's a hunger that tries to keep a man awake at night  
Are you the answer?  
I shouldn't wonder when I feel you with my appetite

With all the power that you're releasing  
It isn't safe to walk the city streets alone  
Anticipation is running through me  
Let's find the key and turn this engine on

I can feel you breathe  
I can feel your heartbeat faster

Take me home tonight  
I don't wanna let you go till you see the light  
Take me home tonight  
Listen honey just like Ronnie sang, be my little baby, oh  
oh oh

I get frightened in all this darkness  
I get nightmares, I hate to sleep alone  
I need some company  
A guardian angel to keep me warm when the cold  
winds blow

I can feel you breathe  
I can feel your heartbeat faster

Take me home tonight  
I don't wanna let you go till you see the light  
Take me home tonight  
Listen honey just like Ronnie sang, be my little baby  
Be my little baby

Just like Ronnie sang  
I say, "Just like Ronnie sang"  
Be my little baby, baby my darling, oh oh oh oh oh  
I feel a hunger, it's a hunger

Take me home tonight  
I don't wanna let you go till you see the light

Take me home tonight  
Listen honey just like Ronnie sang, be my little baby

Take me home tonight  
I don't wanna let you go till you see the light  
Take me home tonight  
Listen honey just like Ronnie sang, be my little baby

Take me home tonight  
Oh be my darling, oh  
I don't wanna let you go till you see the light  
Take me home tonight  
Listen honey just like Ronnie sang, be my little baby

Take me home tonight  
I don't wanna let you go till you see the light  
Take me home tonight
