There Will Never Be Another You - Eddie Money

Album: The Essential Eddie Money

( Alright, Alright, Alright )

I made you a promise, a promise I could keep;  
You know I been honest, honest, you're everything I  
need.

Girl, you know I love you, and you know it's true, now;  
There will never be another you. There will never be  
another you.

Knowing that you love me, oh you know, gives me piece  
of mind;

If I have a problem, sometimes I do, but ah, you always  
find the time.

Time to make me feel good. You know what to do, now,

There will never be another you;

There will never, never, never, never, never be now,

I finally found a reason, all I needed was you in my life,  
now oh;

You're someone to believe in, when I hold you there's  
nothing to hide, no.

Girl, you know I love you, I love you, And you know it's  
true, it's true now;

There will never be another you, no, no, no, no, no, no  
now,

There will never be, now, oh, another you. (another  
you)

There will never be, never be another you.

I could walk the whole world over, over again, I'd never  
find another you.

No, I wouldn't find, no I wouldn't find another you, so,

{begin fade out}

I, I made you a promise, the promise I could keep, now.  
Yeah, I was honest, honest I could be.
