Well if I could walk on water  
and if I could find some way to prove  
If I could walk on water  
would you believe in me?  
My love is so true

Na na na na na  
na na na na...

Well I'm no angel now, I'll admit  
I made a few bad moves I should regret  
I hurt you once or so you said  
Just one more chance is all you get

Didn't mean to do you wrong again  
worse things have been done by better men  
Baby baby don't don't treat me this way  
I know yes I've got to pay now  
I'm still paying

Well if I could walk on water  
and if I could find some way to prove  
If I could walk on water  
would you believe in me?  
My love is true

Na na na na na  
na na na na...

All along I told you lies  
To err is human, forgive is divine  
Don't be a fool, don't settle the score  
Cause I can't take it no more, I can't take it

Well if I could walk on water  
and if I could find some way to prove  
If I could walk on water  
would you believe in me?  
My love is true  
Well if I could walk on water (if I could)  
Is that what I'm gonna have to do?  
If I could walk on water

would be you believe in me?  
My love is so true

Do I have to walk, walk  
walk on water for you  
Hey baby baby there's a little time  
let's spend it together  
We'll get over what we left behind  
there's our future together  
Yeah well let's stay together

(instrumental)

Well if I could walk on water  
and if I could find some way to prove  
If I could walk on water  
would you believe in me?  
My love is true  
My love is so true  
Do I have to walk, oh  
walk on water for you?

If I had to walk, girl  
If I had to walk, walk, walk  
Do I have to walk on water  
walk on water for you  
Do I have to walk on water  
Do I have to find some way to prove  
Do I have to walk on water  
walk on water for you  
Do I have to walk on water  
Do I have to find some way to prove  
Yeah yeah walk on water  
walk on water for you
