We should be sleeping
We're wide awake but
We're dead on our feet
We're never keeping
All of the promises
We said we'd keep
Four in the morning
Still got the light
And the radio on
Don't worry, baby
I'm gonna change all
The things that were wrong
We should be sleeping
Tables are turning
It's breaking my heart
Things'll get better
I'll end this nightmare
Before it can start
Don't say bye bye bye
Bye bye bye, baby
Why should we
Break down and cry
Can't let the world
Drive you crazy
Don't say bye
Baby, bye bye
Don't say bye
Baby, bye bye
We should be sleeping
We're wide awake but
We're dead on our feet
We're never keeping
All of the promises
We said we'd keep
Don't say bye bye bye
Bye bye bye, baby
Why should we
Break down and cry
Can't let the world
Drive you crazy
Don't say bye
Baby, bye bye

No deposit, no return
Play with love
You're gonna burn
Cheat yourself
You cheat your heart
We should be sleeping
Don't say bye bye bye
Bye bye bye, baby
Why should we
Break down and cry
Don't let the world
Drive you crazy
Don't say bye
Baby, bye bye
Don't say bye bye
Bye, baby, now
Don't say bye bye bye
Bye bye bye, baby
Why should we
Break down and cry
Don't let the world
Drive you crazy
Oh, no, don't say bye
Baby, bye bye
Don't say bye bye bye
Bye bye bye, baby
Why should we
Break down and cry
Don't let the world
Drive you crazy
Don't say bye
Baby, bye bye
