I feel hungry, it's a hunger
That tries to keep a man awake at night
Are you the answer? I shouldn't wonder
When I can feel you whet my appetite

With all the power you're releasing
It isn't safe to walk the city streets alone
Anticipation's running through me
Let's find the keys and turn the engine on

I can feel you breathe
I can feel your heart beat faster

Take me home tonight
I don't want to let you go till you see the light
Take me home tonight
Listen honey, just like Ronnie sang, be my little baby

I get frightened in all this darkness
I get nightmares, I hate to sleep alone
I need some company, a guardian angel
To keep me warm when the cold winds blow

I can feel you breathe
I can feel your heart beat faster

Take me home tonight
I don't want to let you go till you see the light
Take me home tonight
Listen honey, just like Ronnie sang
Be my little baby, be my little baby

Just like Ronnie sang, just like Ronnie sang
Be my little baby, be my darling
I feel a hunger, it's a hunger

Take me home tonight
I don't want to let you go till you see the light
Take me home tonight
Listen honey, just like Ronnie sang, be my little baby
