(Feat. Michael Jackson)

The suns gonna shine
The flowers are gonna grow
The clouds
Will bring us showers
The rivers gonna flow
Men ain't got no power
He kills
Nothing but himself
Men is a creation
Men is nothing else so

Chorus:
Whazup?
Whazup?
Whazup with you?
Whazup?
Whaz up with you?
Wazupwitu?

Whazup with you?

What's up with you?

Always into mountains
Always into trees
Always into oceans
Always into seas
(Waz up with u?)
We can't stop this world
Cause' it's not our world
We can just
Jackie Chan it up
Even when we're falling
He's mighty patient
He's got your number
Beat your disease
He knows you're fallin'
You're fallin'

You're fallin'
Falling
Men is a creation
Men is nothing more so

Whatzup?
Whatzup?
Whatzup with you?
