Every Which Way but Loose

Eddie Rabbitt

(Dorff/Brown/Garrett)

I've always been the kind of man who doesn't believe in strings

Long term obligations are just unnecessary things

But girl you've got me thinkin', while I'm drinking one more beer

If I'm headed for a heartache, then why the hell am I still here

I'm testin' my resistance and its wearin' mighty thin

I got the feelin' I should leave before the roof caves in

My mind tells me to move along but my body begs me stay

And now I feel the need to hold you close and love the night away

Chorus:

While you're turnin' me

Every which way but loose

You turn me every which way but loose

Inside the fire's burnin' me

In mind you just keep turnin' me

Every which way but loose

Baby there's no excuse

To turn me every which way but loose

When the sun comes up in the mornin' it should find
me someplace new

But right this minute all I want is to lay here next to you

Those memories still keep callin' me from somewhere
in my past

Better hurry if they want me cause I can feel me fading
fast

(Chorus)
