It's lonely out tonight
And the feeling just got right for a brand new love song
Somebody done somebody wrong song

Hey, won't you play
Another somebody done somebody wrong song
And make me feel at home
While I miss my baby, while I miss my baby

So play, play for me a sad melody
So sad that it makes everybody cry
A real hurting song about love that's gone wrong
Cos I don't wanna cry all alone

Hey, won't you play
Another somebody done somebody wrong song
And make me feel at home
While I miss my baby, while I miss my baby

So play, play for me a sad melody
So sad that it makes everybody cry
A real hurting song about love that's gone wrong
Cos I don't wanna cry all alone

Hey, won't you play
Another somebody done somebody wrong song
And make me feel at home
While I miss my baby, while I miss my baby

Won't you play
Another somebody done somebody wrong song
And make me feel at home
While I miss my baby, while I miss my baby

Won't you play
Another somebody done somebody wrong song
And make me feel at home
While I miss my baby, while I miss my baby
