Thought I was over you  
Thought I could start anew  
I got a new job, new friends  
On the other side of town

But here you are again  
Just like a long lost friend  
And when I touched your hand  
It started it all over again

And I can't help myself  
Here comes that feeling  
Just like a raging river rushing over me  
No, I can't help myself  
Here I go falling  
Head over heels, falling for you again

Why does this heart of mine  
Go crazy every time  
When I know that deep inside  
You don't love me

But when you're standing there  
Wind blowing through your hair  
Well I'm starting to make  
That same old mistake again

But I can't help myself  
Here comes that feeling  
Just like a raging river rushing over me  
No, I can't help myself  
Here I go falling  
Head over heels, falling for you again  
Head over heels, falling for you again
