Thought I was over you thought I could start anew  
I got a new job, new friends on the other side of town  
But here you are again just like a long lost friend  
And when I touched your hand it started all over again

I can't help myself here comes that feeling  
Just like a raging river rushing over me  
No I can't help myself here I go falling  
Head over heels falling for you again

Why does this heart of mine go crazy every time  
When I know down deep inside you don't love me  
But when you're standing there, wind blowing thru your  
hair  
Well I'm starting to make the same old mistake again

I can't help myself here comes that feeling  
Just like a raging river rushing over me  
No I can't help myself here I go falling  
Head over heels falling for you again  
Head over heels falling for you again
