I came in here
To have a good time
With nothin' particular
On my mind
When I saw you
Sittin' there by yourself
Why don't we put a nickle
In the old jukebox
And come on, baby
I'll dance off your socks
Cause you sure look like
You need a friend tonight

I wanna dance with you
To be with you
Maybe you could show me
A thing or two
I wanna dance with you
To talk with you
Maybe together we can
Shake the blues
I wanna dance with you
Rock with you
We'll have a ball
Before the night is through
I wanna dance with you
I wanna dance with you
I wanna dance with you woo woo woo

I don't even know
Your name yet
But you're the kinda girl
A man can't forget
The way you move
Sure sets my soul on fire
So come on, baby
We'll show 'em all
We'll dance on the ceilin'
We'll dance on the wall
Before you're through
Dancin' to this heart of mine, mine, mine

I wanna dance with you

To be with you
Maybe you could show me
A thing or two
I wanna dance with you
To talk with you
Maybe together we can
Shake the blues
I wanna dance with you
Rock with you
We'll have a ball
Before the night is through
I wanna dance with you
I wanna dance with you
I wanna dance with you woo woo woo woo (yeah hit it)

(Guitar Solo)

Come on, baby
We'll show 'em all
We'll dance on the ceilin'
We'll dance on the wall
Before you're through
Dancin' to this heart of mine, mine,
Mine, mine, mine

I wanna dance with you
To be with you
Maybe you could show me
A thing or two
I wanna dance with you
To talk with you
Maybe together we can
Shake the blues
I wanna dance with you
Rock with you
We'll have a ball
Before the night is through
I wanna dance with you
I wanna dance with you
I wanna dance with you ooo
Can't you hear me little darlin
