It'd be a lie to say that I'm not gonna miss you
So don't say goodbye now
Till I've kissed you one more time
And held you like I did when you were mine

It'd be a lie to say I don't still love you
I won't be thinking of you, girl
I never try to call you one more time
Or try to find a way to change your mind

Ooh, you don't love me anymore, oh, baby
You don't love me any more, baby, please forgive me
But the wine's gone to my head and tomorrow
I'll remember when you turned to me and said

It'd be a lie to say that I still love you
That I'm thinking of you boy or drive by
To say hello sometime, oh, but now you're gone
And all I have is five words on my mind

You don't love me anymore, oh, baby
You don't love me any more, baby, please forgive me
But the wine's gone to my head and tomorrow
I'll remember when you turned to me and said

Ooh, you don't love me anymore, oh, baby
You don't love me any more, I'll have to face it
Ooh, you don't love me anymore, oh, baby
You don't love me any more, honey, it hurts so bad

Ooh, you don't love me anymore, oh, baby
You don't love me any more, my tears are falling
