Just you and I-I-I  
Sharing our love together  
And I know in ti-i-ime  
We'll build the dreams we treasure  
And we'll be alright  
Just you and I-I-I

Just you and I-I-I (just you and I-I)  
Sharing our love together  
And I know in ti-i-ime (and I know in ti-ime)  
We'll build the dreams we treasure  
And we'll be alright  
Just you and I-I-I

And I remember our first embrace  
That smile that was on your fa-ace  
The promises that we made, ooh-ooh-ooh  
And now your love is my reward  
And I love you even more-ore  
Than I ever did before-ore

Just you and I-I (just you and I-I)  
We care and trust each other  
With you in my life (with you in my li-ife)  
There'll never be another  
We'll be alright  
Just you and I-I-I

And I remember our first embrace  
That smile that was o-on your face  
The promises that we ma-ade, ooh-ooh-ooh  
And now your love is my reward  
And I love you even more-ore  
Than I ever did before

We made it, you and I
