You to me
Are sweet as roses in the morning
And you to me
Are soft as summer rain at dawn, in love we share
That something rare

The sidewalks in the street
The concrete and the clay beneath my feet
Begins to crumble
But love will never die
Because well see the mountains tumble
Before we say goodbye

My love and I will be
In love eternally
That's the way
Mmm, that's the way it's meant to be

All around
I see the purple shades of evening
And on the ground
The shadows fall and once again you're in my arms
So tenderly

The sidewalks in the street
The concrete and the clay beneath my feet
Begins to crumble
But love will never die
Because well see the mountains tumble
Before we say goodbye

My love and I will be
In love eternally
That's the way
Mmm, that's the way it's meant to be

The sidewalks in the street
The concrete and the clay beneath my feet
Begins to crumble
But love will never die
Because well see the mountains tumble
Before we say goodbye

My love and I will be
In love eternally
That's the way
Mmm, that's the way it's meant to be

And that's the way
That's the way it's meant to be

That's the way

Whoa, that's the way
That's the way it's meant to be
