People walking  
People running  
People waiting  
On a second coming  
Believe you me... I do believe 2x

People laughing  
People starving  
People divide  
'Cause the people crowding  
Believe you me... I do believe 2x

And I don't want to say no more today  
Oh ho I don't want to hear no more today  
Oh hey hey hey I don't want to say no more oh ho

Oh come on  
Can you feel it  
Can you feel it  
Come on  
Whoa

Oh I do believe... I feel it  
I do believe... I feel it  
I feel it 30x  
Yeah  
Yeh ha  
Come on boys  
Oh ho oh 3x  
It don't matter what yeah  
It only matters when the time has come yeah yeah yeah  
To believe 4x
