Waitin', watchin' the clock, it's four o'clock, it's  
Got to stop  
Tell him, take no more, she practices her speech  
As he opens the door, she rolls over...  
Pretends to sleep as he looks her over

She lies and says she's in love with him, can't find a  
Better man...  
She dreams in colour, she dreams in red, can't find a  
Better man...  
Can't find a better man  
Can't find a better man  
Can't find a better man  
Ohh...

Talkin' to herself, there's no one else who needs to  
Know...  
She tells herself, oh...  
Memories back when she was bold and strong  
And waiting for the world to come along...  
Swears she knew it, now she swears he's gone

She lies and says she's in love with him, can't find a  
Better man...  
She dreams in colour, she dreams in red, can't find a  
Better man...  
She lies and says she still loves him, can't find a  
Better man...  
She dreams in colour, she dreams in red, can't find a  
Better man...  
Can't find a better man  
Can't find a better man  
Can't find a better man

Yeah...

She loved him, yeah... she don't want to leave this way  
She needs him, yeah... that's why she'll be back again  
Can't find a better man (Can't find a better man)  
Can't find a better man (Can't find a better man)  
Can't find a better man (Can't find a better man)

Can't find a better... man...  
Ohh... ohh...  
Uh huh...  
Ohh...
