She came from a happy home, a very happy home  
A very happy home

Miss personality, a grade 'A' student naturally  
She had it all worked out  
But things aren't what they seem  
Is this real or just a dream  
And things will never ever be the same again

She came from a happy home, a very happy home  
A home of happiness

Miss personality, a grade 'A' student naturally  
She had it all in place

But things aren't what they seem...

The dangers  
Its the dangers of love  
The dangers  
Its the dangers of love

She came from a happy home, a very happy home  
A very happy scene

She caught him with another it turns out it was her  
mother  
What a tragedy

Can things be what they seem  
Is this just some crazy dream  
Things may never ever be the same again

The dangers...

Keep telling li..ie..es, but you did  
You know you did, its coming, its coming, its coming

The dangers...

What went wrong she couldn't tell  
But we know it all too well

The dangers...

The dangers...

The dangers...
