I used to be on an endless run.
Believe in miracles 'cause I'm one.
I've been blessed with the power to survive.
After all these years I'm still alive.

I'm out here cookin' with the band.
I'm no longer a solitary man.
Every day my time runs out.
Lived like a fool, that's what I was about, oh.

I believe in miracles.
I believe in a better world for me and you.
Oh, I believe im miracles.
I believe in a better world for me and you.

Tattoo your name on my arm.
I always said my girl's my good luck charm.
If she could find a reason to forgive,
Then I could find a reason to live.

I used to be on an endless run.
Believe in miracles 'cause I'm one.
I've have been blessed with the power to survive.
After all these years I'm still alive.

I believe im miracles.
I believe in a better world for me and you.
Oh, I believe im miracles.
I believe in a better world for me and you.

I close my eyes and think how it might be.
The future's here today.
It's not too late.
It's not too late, yeah!

I believe im miracles.
I believe in a better world for me and you.
Oh, I believe im miracles.
I believe in a better world for me and you.
