Well, if you want to sing out, sing out  
And if you want to be free, be free  
Cause there's a million things to be  
You know that there are

And if you want to live high, live high  
And if you want to live low, live low  
Cause there's a million ways to go  
You know that there are

Chorus:  
You can do what you want  
The opportunitys on  
And if you can find a new way  
You can do it today  
You can make it all true  
And you can make it undo  
You see ah ah ah  
It's easy ah ah ah  
You only need to know

Well if you want to say yes, say yes  
And if you want to say no, say no  
Cause there's a million ways to go  
You know that there are

And if you want to be me, be me  
And if you want to be you, be you  
Cause there's a million things to do  
You know that there are

Chorus

Well, if you want to sing out, sing out  
And if you want to be free, be free  
Cause there's a million things to be  
You know that there are  
You know that there are  
You know that there are  
You know that there are  
You know that there are
