Is this just another day? This god forgotten place.
First comes love and then comes pain. Let the games
begin.
Questions rise and answers fall insurmountable.
Love boat captain take the reigns and steer us towards
the clear. Here.
It's already been sung but it can't be said enough.
All you need is love.

Is this just another phase? Earthquakes making waves.
Trying to shake the cancer off. Stupid human beings.
Once you hold the hand of love it's all surmountable.

Hold me and make it the truth.
That when all is lost there will be you.
Cause to the universe I don't mean a thing.
And there's just one word I still believe.
And it's love.

It's an art to live with pain. Mix the light into grey.
Lost nine friends we'll never know. Two years ago
today.
And if our lives became too long would it add to our
regret?

And the young they can lose hope cause they can't see
beyond today.
The wisdom that the old can't give away.
Hey, constant recoil. Sometimes life don't leave you
alone.

Hold me and make it the truth.
That when all is lost there will be you.
Cause to the universe I don't mean a thing.
And there's just one word that I still believe and it's
love.
Love. love. love. love.

Love boat captain take the reigns. Steer us towards the
clear.
I know it's already been sung. Can't be said enough.
Love is all you need. All you need is love.

Love. Love. Love.
