You sat at home, the windows tinted black  
It hits you hard and you cried so long  
Life turned and wandered, never to come back again  
Takes what she gives, you don't feel sorry for her

When you fell out of the Starlight Inn  
You were too hurt to walk, too bad to begin  
I looked at the sign but I couldn't feel sad for you  
Takes what she gives, you don't cry when you kiss her

Poor little girl ran away from home  
I try to explain why she won't say a thing  
Sad, sad thing, I'm so far away now  
How can I say why she won't talk at all

She holds the deck of cards, she wants to be alone  
"I'll be very ill and I tried waking up, now I want to be alone"  
When you ran out of Pete's Hotel you didn't look so good  
And you didn't feel so well, hold me tight, but I couldn't get it right  
Takes what she gives you

Poor little girl  
She holds a deck of cards, she wants to be alone  
She still drinks in the dark, the radio is left on late  
She saw a madman fight and break it all  
'Cause he hated himself and she felt better off  
'Cause she was only drunk
