What the fuck is this world  
Running to, you didn't  
Leave a message, at least  
I coulda learned your voice one last time  
Daily minefield, this could  
Be my time, bout you?  
Would you hit me? (2x)  
Oh oh oh... oh whoa whoa... ow...

All the bills go by, and  
Initiatives are taken up  
By the middle, there aint gonna be any middle any  
more  
And the cross I'm bearing home  
Aint indicative of my place  
Left the porch (2x)  
Oh oh oh...  
Hear my name, take a good look  
This could be the day  
Hold my hand, walk beside me  
I just need to say...

Hear my name, take a good look  
This could be the day  
Hold my hand, lie beside me  
I just need to say  
I could not take a-just one day  
I know when I would not ever touch you hold you  
... feel you... in my arms... never again...  
Yeah... (12x)
