Here I stand head in hand  
Turn my face to the wall  
If she's gone I can't go on  
Feeling two foot small

Everywhere people stare  
Each and every day  
I can see them laugh at me  
And I hear them say

"Hey, you've got to hide your love away  
Hey, you've got to hide your love away"  
How can I even try?  
I can never win  
Hearin' them, seein' them  
In the state I'm in

How could she say to me  
"Love will find a way?"  
Gather 'round all you clowns  
Let me hear you say

"Hey, you've got to hide your love away  
Hey, you've got to hide your love away"
