(Eddy Arnold - Steve Nelson - Roy Soehnel)
I traded a heart full of love for a handful of kisses
That you were just throwing away
I traded a lifetime of dream for a few carefree
moments
That you felt like wasting that day.
If I had known you didn't care, I wouldn't be so blue
'Cause I'd have left my heart at home and played the
game like you.
I'm hoping that you had your fun cause that handful of
kisses
Has broken my trusting heart in two.
--- Instrumental ---
I gave you a love that was true for a heart that was
fickle
I wish I had known at the time
You had me fooled for a while 'cause I thought that you
meant it
When you said that you would be mine.
But now that we have said goodbye I see the light of
day
I had a moment of happiness but what a price to pay
I traded a heart full of love for a handful of kisses
That you were just throwing away...
