(Herbert Lawson)

Anytime you're feeling lonely  
Anytime you're feeling blue  
Anytime you feel down hearted  
That will prove your love for me is true.  
Anytime you're thinking 'bout me  
That's the time I'll think of you  
Anytime you say you want me back again  
That's the time I'll come back home to you.  
Anytime your world is lonely  
And you'll find true friends a few  
Anytime you see a rainbow  
That will be a sign the storm is through.  
Anytime will be the right time  
Anytime at all will do  
Anytime you're sure you want only my love  
That's the time I'll come back home to you.  
--- Instrumental ---  
Anytime you're thinking 'bout me  
That's the time I'll think of you  
Anytime you say you want me back again  
That's the time I'll come back home to you...
