(Boudleaux Bryant)

(Christmas can't be far away.)

A neighbor tipped his hat to me this morning  
The landlord even smiled and said good day  
And I want you to know, a stranger said hello  
Christmas can't be far away.

Old titewad down the street is buying candy  
To pass out to the neighbor kids at play  
The town is on the go, the weather man said snow  
Christmas can't be far away.

The small fry on our block have all been saving  
And now they're hiding things and looking sly  
Mom will get that do-dat she's been craving  
And dad'll get his usual Christmas tie.

Both young and old are planning sweet surprises  
They'll soon be tied with ribbons bright and gay  
Good will is in the air, you feel it everywhere  
Christmas can't be far away.

Christmas can't be far away...
